Guided Study

BibleProject's vision is to see millions of communities reading the Bible as a unified story that leads to Jesus. This means reading the Bible as literature that is:

- Ancient
- Unified
- Messianic
- Meditation
- Wisdom
- Human and Divine
- Communal

This doesn't have to be complicated! Here is a simple format to get two or more people together to read the Bible as one story. This Bible study method encourages curiosity and honors the Bible as both literary art and divine wisdom.

The Format

1. Read the Passage.

Read the selected passage slowly and with the expectation that God's voice is here for us.

2. Collect Questions. 5 MINUTES

Write down any and all questions. The Bible is inviting us to lean in and be curious.

3. Watch the Video. 5 MINUTES

The corresponding video shows the literary shape of the passage and encourages deeper discussions.

4. Make Passage Observations. 5-10 MINUTES

Continue the conversation! What other details can we observe about the passage? What is the point of the repeated words? What can we see by comparing lines or sections?

5. Choose One Question and Discuss. 5-10 MINUTES

Which one of the questions collected during step 2 does the group find most interesting? Choose one and discuss it.

6. Make Hyperlink Observations. 5-10 MINUTES

What other passages in the Bible discuss the same question? What other passages have the same key words or themes? Let's find one or two and compare them.

7. Discern Wisdom. 5 MINUTES

What does God have for us as a community? What ideas are sticking with you after this study?
